Are you homeless?

Are you only days away from being homeless?

Are you homeless and getting public benefits?

If not, did the county deny your application for benefits for no reason?

If you answered **YES** to any of these questions you should talk to one of the homeless outreach advocates at Inland Counties Legal Services (ICLS).

The **Legal Advocacy & Education Project (LEAP)** at ICLS provides supportive services to the homeless in San Bernardino County.

For more information talk to your case worker/manager or call one of the offices nearest to you.
