## **Grant the gift of legal aid this Giving Tuesday**

Giving Tuesday is around the corner, and this year, we ask you to consider Inland Counties Legal Services for your donations. All donations we receive go toward assisting the low income residents of our community with legal services, because justice is for all - not just those who can afford it.

From assisting small business owners to fighting evictions, our organization has a variety of practice groups and clinics to help those in need of free legal assistance. Your donation will go towards fulfilling our mission and have an incredible impact on your community.

Every penny you donate will alleviate the burden of an individual's legal needs!

We can accept any online donations at the following link:
