Who We Are and What We Do:

The Outreach and Intake Practice Group is a joint force that assists clients in various capacities.

The Intake Team is the first point of contact for potential clients. The Intake Team is professional, respectful and compassionate in obtaining basic information about each applicant and his or her legal matter to determine if the applicant is eligible for ICLS's services. The Intake Team provides helpful information, screening of potential clients, meaningful referrals, and

scheduling of appointments with ICLS advocates.

The Outreach Team provides community education, face-to-face legal advice, and brief services in locations other than Inland Counties Legal Services' offices, in an attempt to also assist seniors who are unable to access any of ICLS's office locations. The outreach team focuses on seniors who are in the greatest social and economic need.

ICLS's Outreach Team provides assistance in the areas of:

Consumer Issues
Simple Wills
Powers of Attorney
Small Estate Probate
Paying for Nursing Home Care
Housing Law, including Mobile Home Law
Elder Abuse
Grandparent Visitation
Small Claims Court
Health Care Law Issues
