## **Health Law Practice Group**

### **Who we are:**

The Health Team is a diverse group of advocates including attorneys and paralegals who focus on obtaining and maintaining health benefits and increasing access to health services. The Health Team works in conjunction with the Health Consumer Alliance (HCA), a coalition of California legal aid programs providing health care access services to California consumers.

### **What we do:**

The Health Team assists with many health care topics including:

- Medi-Cal,
  - Medicare,
  - Cal MediConnect,
  - Covered California,
  - Private Health Insurance,
  - Medical Billing,
  - In-Home Supportive Services (IHSS), and
  - Other Health Care Matters.

If eligible for services, clients may receive advice, brief services, and/or direct-representation depending on the circumstances of their case.

### **How we connect:**

The team participates in community fairs and offers community education presentations to community-based organizations and client groups on a variety of health care topics like eligibility and access to services. We are a member of the Inland Empire Coordinated Care Initiative's Advisory Committee that focuses on the Cal MediConnect/Coordinated Care Initiative in

Riverside and San Bernardino County.
